Announcement

We extend a cordial invitation to all lovers of good Shorthorn cattle to attend our sale of All Goldfinder-bred cattle on Saturday, Sept. 30, 1944, at the Stevens and Kelly Sale Pavilion, Rippey, Iowa. It is with a great deal of pleasure and satisfaction that we offer to you this draft of well-bred cattle. Since acquiring the herd formerly owned by Husted Brothers of Truro, Iowa, we find that we have more cattle than we can properly care for. Therefore, we have gone deeply into our own breeding herd with the idea in mind of making this a top quality offering of good, useful cattle along with a few choice heifers from the Husted herd. We have always culled our cow herd closely and each matron that has remained in our herd has had to prove her worth. Many of the females in the sale are among our top breeding cows and all have been proven to be profitable to us, and we are confident that they will be the same for their new owners. All cattle are presented in good thrifty breeding condition.

Everyone is familiar with the phenomenal record made by Supreme Goldfinder at the last International, and the popularity of this great sire has been made further renowned by the breeding achievements of his sons. The infusion of the blood of Supreme Goldfinder through the use of his champion son, Gold Nugget, and another equally prepotent son, Supreme Rival, in our herd has greatly improved the quality of our cattle. This offering includes most of the daughters of Gold Nugget and Supreme Rival that we had intended to retain in our herd. Those of breeding age carry the service of the \$18,000 Gold Accent and the impressive Goldfinder Masterpiece. Many of the calves selling beside their dams are suitable for 4-H club projects.

This is the first time females carrying the services of Gold Accent and Goldfinder Masterpiece have been offered for sale by auction. Surely anyone who has seen these two bulls will want to own a cow or heifer bred to either of them. Judging from the calves that have already arrived sired by these bulls, we believe that their records as sires will further add to their popularity. Plan to be with us sale day.

HOLZ BROTHERS.

Regarding the Offering

Holz Brothers are a comparatively new name among Shorthorn Breeders and yet upon my visit to their farm a few days ago I saw a breeding herd that exhibited as much breed progress as most breeders would hope to achieve in a lifetime. It was a fortunate day for this firm when they were able to purchase the entire Husted Bros. herd at Truro, Iowa, and in its acquisition obtain a great set of breeding females headed by the illustrious Gold Accent, truly one of the greatest bulls of the day. And yet even before the purchase of the Husted herd Holz Bros. had made a name for themselves with the top quality Shorthorns they were producing.

The fact that the matings of a great battery of herd sires are just one of the many features of this sale, this alone should create a desire on the part of all good breeders to attend this event.

Holz Bros. are offering a grand lot of cattle in this sale . . . all productions of dependable and fashionable breeding. They are certain to prove profitable to those who buy them.

—Mervin Aegerter of
The Shorthorn World.

GOLD ACCENT 2082838

**GOLD ACCENT**

Husted Bros. say in regard to Gold Accent, "He is the greatest bull we ever bred or owned, and there never has been a thicker natural fleshed bull than he. After watching Gold Accent develop from calfhood, we have always contended him to be the greatest bull we have ever seen. Since his calves are developing into the same compact, thick fleshed, modern typed kind he gives every promise of being one of the breed's greatest sires. We have every confidence that he deserves the distinction of being the breed's highest priced American bred bull." Don't overlook this opportunity to own a female mated to this superb sire.

GOLDFINDER MASTERPIECE 2052879

(For Reference)

**GOLDFINDER MASTERPIECE**

Goldfinder Masterpiece in his three-year-old form is one of the greatest sons of Supreme Goldfinder. He exemplifies the type of Shorthorn we are striving to produce to meet the demands of the practical cattleman and the type of bull that makes Shorthorns popular in competition with the other beef breeds. He is extremely deep bodied, lowset, and thick fleshed, and is truly a great bull from end to end. His calves are pleasing and he has never sired a bad colored calf. Many of the cows and heifers in this offering carry his service.

GOLD NUGGET 2007815

(For Reference)

**GOLD NUGGET**

Gold Nugget was one of the first bulls sired by Supreme Goldfinder and has proven himself to be one of the greatest. As a calf he was undefeated, winning the Junior Championship at the Iowa State Fair and being the first prize Senior Bull Calf at the International. He is outstanding in his general balance and compactness. He is deep bodied and very close coupled and strictly of modern type throughout. His calves have been uniformly good. One of his bulls from last year's crop was a strong contender for the championship at the International Congress Show and Sale.

Supreme Rival is a very dark roan son of Supreme Goldfinder out of one of the top cows in the Husted Bros. herd. He has a lot of substance of bone, is wide and carries this width uniformly from end to end, and has the natural thickness of flesh so characteristic of the Goldfinders. Husted Bros. describe Supreme Rival as the heaviest hind quartered bull sired by Supreme Goldfinder, and this is saying a lot, for the Goldfinders are noted for their good development of hind quarters. He is siring a grand lot of calves for us and we predict that he will be one of the best breeding sons of Supreme Goldfinder.

Supreme Standard is out of the same cow as Nugget's Proud Archer, the bull that won first place at the last International Congress Show and Sale. He is lowset, deep and thick, and like all the calves by Supreme Rival, he is well developed in his hind quarters. He displays much masculinity about the head and crest and with his rich red color, is very attractive. We recommend this bull very highly.

NUGGET'S PROUD ARCHER 2144035

An outstanding son of the Iowa State Fair Junior Champion, Gold Nugget, out of Brookside Queen 5th by Archer's Standard by Proud Archer. Nugget's Proud Archer was a first place bull at the 1943 International Congress Show and Sale, purchased by John Sneed, Sedalia, Mo., for \$1,000.00. Proud Archer is an exceptionally smooth, thick-fleshed, short-legged, heavy hind-quartered calf and was one of the most popular bulls at the last Congress Show.

We have returned this bull from Mr. Sneed to mate to a few of Nugget's daughters, and there are several in the sale carrying his service. We predict that his calves will be outstanding.
